## Grand Knight's Letter

My Brothers and Sisters in Christ,

As we approach this Christmas season, let us not forget about what we are thankful for. Many people take for granted the gifts and the help that they receive, as well as look beyond the plan that the Lord has for us all. We as Knights do what we can to serve the community, to remind people that there is much to be thankful for. We serve God to remind them that our Faith in God is our strongest guide to a happy and fulfilling life.

Throughout November, Brother Knights from our Council went out and served the community in different ways. We delivered over 15 Thanksgiving boxes that were donated from the Bingo Players to the community wide event stationed at Faith Community Church. We played a small role in having over 1,500 Thanksgiving boxes for families who are less fortunate. On Thanksgiving Day, our Brother Knights went out and delivered 500+ meals to the surrounding communities of elderly and less fortunate families. We were given a shoutout by the coordinator of the Sister Catherine's Meals On Wheels that if it weren't for the Knights, this operation would go nowhere. And finally, on Saturday November 24, Brother Larry Dietz organized within a short 6 days a Pasta for Paradise fundraiser. That night we had several State Officers, Brothers from other councils support this event. That night we played bingo, had a silent auction, and a 50/50 raffle. We raised over \$1,200 for the Columbian Charities to go towards the 22 Brother Knights of Council 7773 affected by the Paradise Wildfire. Great Job Larry, and great job to all my Brothers and your families for your help and support for our communities and Brothers.

# KNIGHT OF THE MONTH

Brother Larry Dietz

This month's Knight of the Month goes out to a hardworking Brother Knight. He is a Past Grand Knight of our Council and has been a crucial part of my Officers, and this Council. He has the biggest heart and biggest goal for our Council. He is present at every event, and has donated more than enough time to our weekly Thursday Night Bingo. He is a guide for our Council to be active in ID Drives, Membership Drives, and ProLife. This Brother Knight is also a big part of the San Gabriel Valley Chapter, being a voice and advocate for our Council, as well as the many programs the State and Supreme have to offer. He is a role model for the Knights of Columbus, and will continue to promote the Knights, recruit, and guide our Council to be a model Council.

This month's Knight of the Month for November is Larry Dietz.

God bless you Brother for all that you do.

Grand Knight,  
Jacob Edward van Olphen

*Grand Knight Report - Continued from Front page*

As charity is one of our founding principle of the Knights of Columbus, I do know that not everyone is able to come help out or attend these events. And I know there are many Brother Knights who want to help, but do not know how. Here's how: Donate. Send donations to our Council, and we will honor and thank you for your support. A donation is always accepted and appreciated, for donations help us with our events: Fishing with the Knights, Fundraisers for the Intellectually Disabled, the Wheelchair Drive, and more. We will always be accepting donations and put them to good use.

December 8th is our biggest event of the year, Fishing with the Knights. It helped us achieve #1 Council Activity for the year in the State of California. We plan to win again. Please, if you can make it, we will be at the Huckleberry Pond in Santa Ana River Lakes at 9am. See our Program Director's Report for further details.

My Brothers and Sisters in Christ,  
May God bless you with his grace, your Faith be your guide to a fulfilling life, and your heart be thankful.

Merry Christmas,  
Grand Knight,

**Jacob Edward van Olphen.**

Christmas is such a beautiful time of year. Family, friends, and neighbors are welcomed into our homes with loving arms as we anticipate the birth of Christ. He is the reason for the season, and we need to be sure to celebrate his birth appropriately. Unfortunately, many of us Christians are only concerned with the material side of Christmas. We get caught up in the hustle and bustle of sales and deadlines and so forget why this month is so important.

#### Ways to Celebrate

As children, we eagerly await Christmas morn, with all its glamour and glitter beneath the tree. The tearing open of presents along with squeals of delight from the children warms my heart. These memories are precious and few. But are we doing all we can to celebrate Jesus's birth? Are we teaching them that He is why we celebrate this glorious day? I have started to focus on giving my children daily reminders all during the month of December about why Christmas is special, and what we should actually be focusing on besides our wish lists. Here are a few I have gone over with them this month so far:

**Advent.** While we have had an Advent wreath in the past, we were terrible at keeping schedule and having prayer time each evening. My children range in ages from nineteen to two years old. While my teens certainly understand much more about Christmas since they attended Catholic school, my younger ones still need to be taught to put prayer and selflessness first. My ten-year-old son likes to read from an Advent reflection during the lighting of the candle. This past Sunday evening, we talked about how difficult Mary and Joseph's trip must have been while they sought a place for Mary to safely give birth. We discussed how excited and perhaps nervous Mary may have been that night, and how brave she was to accept such a gift from God.

**Giving.** My children love to receive gifts, of course! I have also found that children really do enjoy the gift of giving. I have noticed that if we offer charity in some way to those in need, they begin to think of others more often. They think about helping others before we even mention it. I truly believe that this is a character trait that portrays the image of God, something my sons are quite concerned about. Singing at a nursing home, making handmade ornaments for neighbors, or perhaps helping with a meal are all ways we have given back. These activities do not require large sums of money, thankfully. It also helps us think creatively!

**Christ.** He is the reason for the season. Many times children are caught up in the materialistic side of Christmas. If you think about it, it is quite appalling that Christmas has become a huge retail holiday. It overshadows the joy of Christmas by making us stress out about gifts, parties, and too much food. We sometimes become so agitated that we dread Christmas day. The fear of disappointing someone, hurting someone's feelings, or undercooking the turkey can take away from what God intended us to celebrate: the birth of His Son.

If you do encounter one of these scenarios (and you probably will), remember to stop and think about what God wants from us during Christmas. Love, togetherness, and rejoicing are the things He wants from us! Slow down and take in what is around you. Attend Mass and rediscover the glory of the season. Go to confession during Advent and cleanse your soul from the burdens you carry. We cannot please everyone all the time, but we can surely try to please God. Have a Blessed Christmas and a Happy New Year! - Article by: Karen Reep • Catholic Stand - December 17, AD2015

Knights of Columbus  
INSURANCE

## Making a Difference for Life

Knights of Columbus insurance has been "Making a Difference for Life" for more than 120 years. Since our founding in 1882, our primary mission has been to protect families against the financial ruin caused by the death of the breadwinner. Today we do this, and help families secure their financial futures, through our top-rated portfolio of life insurance, long term care insurance and annuity products.

### Our Evolution

When our organization began, in order to help each other, our members "passed the hat" to assist families of deceased members. Soon, however, this became impossible, as the number of our members grew.

Out of this simple process, we've evolved into a modern, dynamic insurance organization, and offer a wide variety of products to suit virtually everyone's needs.

Permanent Plans - Policy lasts as long as you live, premium stays the same.

Term Plans - Policy ends at end of specified term: renewable or convertible.

Annuities - Provides an income that is guaranteed for life.

Long Term Care - Provides funds for long-term, out-of-hospital care.
