Grand Knight's Letter

My Brothers and Sisters in Christ,

The time for lent has fallen upon us. 40 days we will give up something like unhealthy food or unhealthy habits. In this time that we give up something, let's also do something for ourselves in return: attend mass; pray the rosary; or do one good act a day that can lift up our selves and others as well as act more as a Catholic. While we refrain from eating meat, we can enjoy fish and shrimp, and other items that are served at our Annual Lenten Fish Fry. Every Friday until Good Friday our Council will serve a boat load of fish and shrimp dinners for the entire family. This event is open to the public and everyone is welcome.

As a reminder, our Council is hosting the Knighthood Degree on March 10th. If you or you know someone who is ready for the 3rd Degree, please do not hesitate. There will be a Lady's program and dinner for all after the Degree. Contact our Chancellor Larry Dietz for more information.

As always, continue your efforts in recruitment. The order cannot grow unless new members join. Our Council is always accepting of new applicants. If anyone needs guidance or something to show for what it means to be Catholic, then the Knights of Columbus can help.

Brothers and Sisters in Christ, use this time of Lent to reflect on what is necessary in life, and what can be disposed of. Take advantage of these 40 days and use them wisely.

"Lord, grant me the serenity to accept the things I cannot change; the courage to change the things I can; and the wisdom to know the difference"

Vivat Jesus!

Grand Knight,
Jacob Edward Van Olphen

KNIGHT OF THE MONTH

D. D. Brother Bill Ruiz

This month's Knight of the Month goes to a greenhorn to our Council, but no stranger to the Knights of Columbus. He has only been with our Council a short time, but I can tell he has much pride in us as he does the Knights. He was a transferred member shortly before my year started as Grand Knight. He has participated in almost all of our Council events: Sister Catherine's Meals On Wheels, Council Christmas Party, and assisting in the 1st and 2nd Degrees. I appreciate all the help he has given to our Council and to me. Not only is he a member of this Council. He is also a Chapter Officer, a District Deputy in fact. When I found out we will be receiving a new D. D. I had to call and get dibs on him. Lucky me, I was the first to call and ask him to join our Council. Today I am very honored to have this gentleman in our Council. This month's Knight of the Month goes out to D. D. Brother Bill Ruiz. Thank you sir for your efforts and help, it is greatly appreciated.

Grand Knight,
Jacob Edward Van Olphen

Making a Difference for Life

Knights of Columbus insurance has been "Making a Difference for Life" for more than 120 years. Since our founding in 1882, our primary mission has been to protect families against the financial ruin caused by the death of the breadwinner. Today we do this, and help families secure their financial futures, through our top-rated portfolio of life insurance, long term care insurance and annuity products.

Our Evolution

When our organization began, in order to help each other, our members "passed the hat" to assist families of deceased members. Soon, however, this became impossible, as the number of our members grew.

Out of this simple process, we've evolved into a modern, dynamic insurance organization, and offer a wide variety of products to suit virtually everyone's needs.

Permanent Plans - Policy lasts as long as you live, premium stays the same.

Term Plans - Policy ends at end of specified term: renewable or convertible.

Annuities - Provides an income that is guaranteed for life.

Long Term Care - Provides funds for long-term, out-of-hospital care.

History of Lent

What are the origins of Lent? Did the Church always have this time before Easter?

Lent is a special time of prayer, penance, sacrifice and good works in preparation of the celebration of Easter. In the desire to renew the liturgical practices of the Church, *The Constitution on the Sacred Liturgy* of Vatican Council II stated, "The two elements which are especially characteristic of Lent — the recalling of baptism or the preparation for it, and penance — should be given greater emphasis in the liturgy and in liturgical catechesis. It is by means of them that the Church prepares the faithful for the celebration of Easter, while they hear God's word more frequently and devote more time to prayer" (no. 109). The word *Lent* itself is derived from the Anglo-Saxon words *lencten*, meaning "Spring," and *lenctentid*, which literally means not only "Springtide" but also was the word for "March," the month in which the majority of Lent falls.

Since the earliest times of the Church, there is evidence of some kind of Lenten preparation for Easter. For instance, St. Irenaeus (d. 203) wrote to Pope St. Victor I, commenting on the celebration of Easter and the differences between practices in the East and the West: "The dispute is not only about the day, but also about the actual character of the fast. Some think that they ought to fast for one day, some for two, others for still more; some make their 'day' last 40 hours on end. Such variation in the observance did not originate in our own day, but very much earlier, in the time of our forefathers" (Eusebius, *History of the Church*, V, 24). When Rufinus translated this passage from Greek into Latin, the punctuation made between "40" and "hours" made the meaning to appear to be "40 days, twenty-four hours a day." The importance of the passage, nevertheless, remains that since the time of "our forefathers" — always an expression for the apostles — a 40-day period of Lenten preparation existed. However, the actual practices and duration of Lent were still not homogenous throughout the Church.

Lent becomes more regularized after the legalization of Christianity in A.D. 313. The Council of Nicea (325), in its disciplinary canons, noted that two provincial synods should be held each year, "one before the 40 days of Lent." St. Athanasius (d. 373) in his "Festal Letters" implored his congregation to make a 40-day fast prior to the more intense fasting of Holy Week. St. Cyril of Jerusalem (d. 386) in his *Catechetical Lectures*, which are the paradigm for our current RCIA programs, had 18 pre-baptismal instructions given to the catechumens during Lent. St. Cyril of Alexandria (d. 444) in his series of "Festal Letters" also noted the practices and duration of Lent, emphasizing the 40-day period of fasting. Finally, Pope St. Leo (d. 461) preached that the faithful must "fulfill with their fasts the Apostolic institution of the 40 days," again noting the apostolic origins of Lent. One can safely conclude that by the end of the fourth century, the 40-day period of Easter preparation known as Lent existed, and that prayer and fasting constituted its primary spiritual exercises.

Of course, the number "40" has always had special spiritual significance regarding preparation. On Mount Sinai, preparing to receive the Ten Commandments, "Moses stayed there with the Lord for 40 days and 40 nights, without eating any food or drinking any water" (Ex 34:28). Elijah walked "40 days and 40 nights" to the mountain of the Lord, Mount Horeb (another name for Sinai) (1 Kgs 19:8). Most importantly, Jesus fasted and prayed for "40 days and 40 nights" in the desert before He began His public ministry (Mt 4:2).

Once the 40 days of Lent were established, the next development concerned how much fasting was to be done.

Continued from page 5

In Jerusalem, for instance, people fasted for 40 days, Monday through Friday, but not on Saturday or Sunday, thereby making Lent last for eight weeks. In Rome and in the West, people fasted for six weeks, Monday through Saturday, thereby making Lent last for six weeks. Eventually, the practice prevailed of fasting for six days a week over the course of six weeks, and Ash Wednesday was instituted to bring the number of fast days before Easter to 40. The rules of fasting varied. First, some areas of the Church abstained from all forms of meat and animal products, while others made exceptions for food like fish. For example, Pope St. Gregory (d. 604), writing to St. Augustine of Canterbury, issued the following rule: "We abstain from flesh, meat, and from all things that come from flesh, as milk, cheese and eggs."

Second, the general rule was for a person to have one meal a day, in the evening or at 3 p.m.

These Lenten fasting rules also evolved. Eventually, a smaller repast was allowed during the day to keep up one's strength from manual labor. Eating fish was allowed, and later eating meat was also allowed through the week except on Ash Wednesday and Friday. Dispensations were given for eating dairy products if a pious work was performed, and eventually this rule was relaxed totally. (However, the abstinence from even dairy products led to the practice of blessing Easter eggs and eating pancakes on Shrove Tuesday, the day before Ash Wednesday.)

Over the years, modifications have been made to the Lenten observances, making our practices not only simple but also easy. Ash Wednesday still marks the beginning of Lent, which lasts for 40 days, not including Sundays. The present fasting and abstinence laws are very simple: On Ash Wednesday and Good Friday, the faithful fast (having only one full meal a day and smaller snacks to keep up one's strength) and abstain from meat; on the other Fridays of Lent, the faithful abstain from meat. People are still encouraged "to give up something" for Lent as a sacrifice. (An interesting note is that technically on Sundays and solemnities like St. Joseph's Day (March 19) and the Annunciation (March 25), one is exempt and can partake of whatever has been offered up for Lent.

Nevertheless, I was always taught, "If you gave something up for the Lord, tough it out. Don't act like a Pharisee looking for a loophole." Moreover, an emphasis must be placed on performing spiritual works, like attending the Stations of the Cross, attending Mass, making a weekly holy hour before the Blessed Sacrament, taking time for personal prayer and spiritual reading and most especially making a good confession and receiving sacramental absolution. Although the practices may have evolved over the centuries, the focus remains the same: to repent of sin, to renew our faith and to prepare to celebrate joyfully the mysteries of our salvation.
