GRAND KNIGHT'S LETTER

My Brothers and Sisters in Christ:

I hope that everyone had a good Christmas and a safe New Year's eve (and a good January). We are winding down this Columbian year. It has gone by very fast.

We would like to get a headcount of who will be attending the state convention in San Diego this year. It should be a good time, especially without the 6-7 hour drive up north.

I just want to thank everyone who has made this year what it is so far!!

Vivat Jesus,

JAMES HATHAWAY
Grand Knight

Life Insurance is a Gift

The initial reaction for many people when you mention Life Insurance as a gift is a quick step back and a questioning stare.

"How morbid," they think. While it may seem that way when you first mention it, life insurance is really a thoughtful gift that can be a financial life preserver in tough times. The problem with life insurance is the general perception. Many people think of death instead of the great benefits it provides and the security that it offers-even while you're alive.

Life insurance should be thought of as a precautionary protective measure for a family unit. The purchase of this product can mean saving your home, sending your children to college, and preserving your spouse's quality of life in the event of your death.

One of the times you may want to purchase life insurance for someone is a when a family has a new baby. It's a great, low-cost way to set money aside for the future (i.e. college tuition, housing, business start-up, etc). Of greater importance, it ensures these children will have insurance as adults in case an illness later in life makes him or her uninsurable.

Newlyweds are also ideal recipients for life insurance. As they join their lives and financial responsibilities, young couples need to make sure that their early investments are fully protected. If something were to happen to one of them, the other may be faced with serious financial hardship. A life insurance policy is an ideal way to ensure their future and protect their assets.

Program Director's Report

Welcome back everyone!

We do apologize for the delay in The Degree in the past few months but we are here now and back in action. 2017 brings change and by change I mean this Degree. The Degree will now be published on a bi-monthly basis so all upcoming events will be noted for the next two upcoming months. This should make things a little easier on all of us. We can plan ahead and make time on our busy schedules and pencil in a hour or two to help volunteer at our local council. **WE NEED YOU!**

My Brothers once again I'm asking each and everyone of you to open up your hearts and remember why you became a Brother Knight and what you pledged for this council. Do you remember when you took your 1st, 2nd, 3rd and even your 4th degree? I know all of us still do. Remember, we were all asked to find time as a Brother Knight and do what we can for this council and for others that needed us.

We need to change in 2017. Last year we fell short with volunteers. We were seeing the same Brothers, Ladies and their families at each event helping out (we appreciate every one of them). This year, I would like to see a lot more new faces and help make our family grow once again here at Council 3851.

The only way we can do this is with you **VOLUNTEERING**. All I am asking is for you to give us 1-2 hours a week or month if you can. We can really use your help on all our upcoming events, especially on Thursday nights for Bingo and our upcoming Friday night Fish Fry's. Remember, this is not work, it's fun and enjoyable. It's about meeting new people and giving back to the people in our community who are in need of our services. We need you!

Come on down to the council hall and give us a hand. Here's a list of the upcoming events for the next two months. We would love to see you here. Bring the family, friends and even the next door neighbors Calendar Events for February & March
